

TRADITIONAL CRUTCHES

Aesthetic, durable, light, silent, are the characteristics of Orthos Walking Aids crutches. **C1**, adult crutches with fixed open cuff or **C8**, adult crutches with mobile and closed cuff. With modern design y verifiable enduring, they are light due to components optimisation and to the aluminium's quality. Reduction of noise through an inner nylon

component. High resistance. With 20mm anti slip rubber tips for safety. Natural or champagne tube colour. Height adjustable. Models with double adjustment for taller users. Reinforceable for users up to 125kg. Option: model C7 in chrome steel tube with soft mobile cuff.
