StyleView SV44 Documentation Cart

- Effortlessly maneuver the cart to the point of need—StyleView quickly responds to caregivers' touch and enables nurses to focus on their patients
- Truly ergonomic design accommodates the largest range of caregivers; designed for sitting or standing with single-motion fluid adjustment—helps promote caregiver wellness and productivity
- StyleView's small footprint, with ultra-smooth gliding casters, travels easily across crowded carpet or hard surface floors and is perfect for space constrained areas
- Add up to 5 rows of extra drawers based on your needs
- Surfaces are treated with antimicrobial for product protection
- Passes Ergotron's 10,000-cycle motion test, which ensures a minimum of five years trouble-free sit-to-stand height adjustment
