

RECEPTION FURNITURE

3-seat metal beam seating

Perforated lacquered metal seat and back, 183 cm long

DESCRIPTION

A three-seat all-metal beam unit for busy waiting areas. The contoured seat and back, in aluminium-lacquered perforated metal, need no particular upkeep: a wipe is enough, and there is no fabric to replace or foam to compress.

The epoxy-lacquered cross beam gives the unit high rigidity; adjustable feet compensate for uneven floors.

TECHNICAL SPECIFICATIONS

Specification	Value
