

CYTOLOGY SAMPLING

Cervical smear sampling kit

Complete sterile gynaecological kit, individually packed

DESCRIPTION

A complete sterile gynaecological kit bringing together, in a single pack, the speculum and the instruments needed for cytological sampling. Everything the procedure requires is in one pouch: no hunting for a missing consumable during the examination, and simpler traceability.

KIT CONTENTS

Qty	Item
1	Cusco-type speculum, size M
1	Wooden Ayre spatula, ectocervical sampling
1	Endocervical brush, endocervical sampling
2	Frosted glass slides
1	Slide carrier
1	Pair of latex gloves

SPECIFICATIONS

- Supplied in individual sterile packaging.
- Compatible with a cytology fixative spray.
- Ectocervical and endocervical sampling covered by the same kit.

Manufacturing and distribution — IBSGROUPE Ltd, as a turnkey supplier, handles the distribution, logistics, commissioning and after-sales service of this product. Manufacturing is carried out by the partner manufacturer, whose part numbers and specifications are reproduced above. *Non-contractual document: specifications may be changed by the manufacturer without prior notice; where the text and the illustration differ, the text prevails.*
