

- Powerful 1100 W motor for reliable and continuous operation.
- 175 rpm rotational speed providing efficient floor cleaning and polishing.
- Integrated solution and water tank for uninterrupted cleaning.
- Automatic detergent dispensing system ensuring consistent chemical application.
- Suitable for cleaning, scrubbing, polishing and maintenance of hard floor surfaces.
- Ergonomic handle design for comfortable and precise machine control.
- Heavy-duty construction designed for intensive daily commercial use.
- Large cleaning disc provides high productivity over wide floor areas.
- Smooth transportation with durable rear wheels.
- Ideal for hospitals, healthcare facilities, shopping malls, schools and commercial buildings.

TECHNICAL DETAILS

Motor Power:	1100 W
Rotation Speed:	175 rpm
Cleaning Type:	Scrubbing & Polishing
Solution Tank:	Integrated
Water Tank:	Integrated
Detergent Supply:	Automatic
Power Supply	220–240 V / 50 Hz
